## Guidelines for Display

The guidelines for display have been provided below. This section outlines the standard heights, lengths, and requirements of booths on the exhibit floor and are based on industry standards. We encourage you to review this information prior to planning your booth space.

### AUDIO VISUAL/MUSIC/SOUND

In general, the use of sound or audio visual equipment in booths is permitted as long as the noise level does not disrupt the activities of neighboring exhibitors. Speakers and other sound devices should be positioned to direct sound inward (to be contained within the booth) rather than outward (toward aisles and other exhibitor booths). Any devices which project sound must be tuned to conversation level.

### BOOTH DESIGNS

Exhibits must be designed, constructed, and operated in good taste and in accordance with the best interests of the event. It is the sole responsibility of exhibitors to camouflage, with a close off, any unsightly or unused booth materials stored behind booth curtains.

### STRUCTURAL INTEGRITY

All exhibit displays should be designed and erected in a manner that will withstand normal contact or vibration caused by neighboring exhibitors, hall laborers, or installation/dismantling equipment, such as forklifts. Displays should also be able to withstand moderate wind effects that may occur in the exhibit hall when freight doors are open.

### BOOTH HEIGHT

Standard booth (Illustration A) height is 8 feet. No signage or display features will be permitted above this height unless the booth is a perimeter wall booth (Illustration B) in which case the maximum permitted height is 12 feet. If the booth configuration is a peninsula (Illustration C) and/or island (Illustration D) of four booths or more, then maximum height will be 16 feet.

### CHILDREN

For safety considerations, children under the age of 12 will not be allowed to enter the exhibit hall, unless accompanied by an adult.

### DEMONSTRATIONS (IN BOOTH)

As a matter of safety and courtesy to others, exhibitors should conduct sales presentations, product demonstrations, press conferences and other media events in a manner which assures all exhibitor personnel and attendees of such in-booth events are within the contracted exhibit space and not encroaching on the aisles or neighboring exhibits. Any queue lines formed for exhibitor customer interaction must also be contained within the booth footprint. Exhibitors should be aware of, and adhere to, local regulations regarding fire/safety and environment. Product demonstrations must be held within the exhibitor's space so as not to interfere with any aisle traffic or neighboring exhibitors' booth space (Illustration H).

### EXHIBITOR ETIQUETTE

1. Exhibitors shall not congregate or solicit trade in doorways or aisles.
2. Conduct of exhibitors shall be professional and courteous at all times.
3. Exhibitors may not enter the exhibit space of another exhibitor without express permission. If admission has been granted, exhibitors shall be courteous and move aside when the host exhibitor is showing merchandise to prospective buyers.

## Guidelines for Display

4. Under no circumstances shall an exhibitor interrupt another exhibitor showing merchandise to a prospective buyer.
5. Exhibitors may not have models, signs, or other solicitation devices outside assigned exhibit space or in aisles.
6. No furniture, product, or packing materials may be left in the aisle during show hours.

### HANGING SIGNS AND POSTERS

Signs and posters must be within the booth area and may not be posted on columns or pillars, nor placed in the aisles. Hanging signs are permitted only above peninsulas and/or islands of four booths or more to a maximum of 16 feet. This means that the top of the hanging sign can be no more than 16 feet off the ground. Hanging Signs and Graphics should be set back 10 feet from adjacent booths and be directly over contracted space only. This will be strictly enforced!

**ALL HANGING SIGNS MUST BE APPROVED IN ADVANCE OF MOVE-IN BY SHOW MANAGEMENT.**

### MULTI-STORY OR COVERED EXHIBITS

Exhibit booths that are multi-story or contain covered assembly areas, such as conference areas or theaters, must meet the following minimum life safety requirements:

1. Each enclosed or covered area must be protected by an audible smoke detector. This includes storage closets built into the exhibit.
2. Each enclosed or covered area must display a charged fire extinguisher with a minimum rating of 2A20BC.
3. The maximum occupancy of the load-bearing area(s) in a multi-story exhibit shall be limited to one person per fifteen net square feet of floor space, not to exceed a total of twenty-five persons. This maximum occupancy shall be posted.
4. There should be no less than two means of egress from each load-bearing area in a multi-story exhibit or from each occupied area of a covered assembly area.
5. A fire prevention attendant shall be provided by the exhibitor and shall be on duty at all times, from the time that the enclosure is completed until the time that the enclosure is dismantled or per the local Fire Marshal regulations.

### NOISE AND ODORS

Any devices which project sound must be tuned to conversation level. Noisy or obstructive work will not be permitted during exhibit hours, nor will loud operating displays or exhibits producing displeasing odors be allowed.

### PAGING

Paging will be restricted to EMERGENCIES ONLY during show hours. Exhibitors requiring emergency help shall report to the Exhibitor Registration Desk or the AGS Exhibitor Service Center.

### SET-UP/DISMANTLE

All exhibits must be set-up by the exhibitor on move-in day. No set-up will be allowed during show hours unless approved by Show Management. Dismantle of an exhibit will not be permitted prior to the close of the show. Such action may cause forfeiture of rights to participate in future events.

### STAFFING

Exhibit space must be staffed throughout ALL show hours.

## Labor Rules & Regulations

### RULES AND REGULATIONS FOR CENTRAL FLORIDA

To assist you in planning for your participation in this upcoming exposition, we ask that you read the following rules and regulations:

#### EXHIBIT INSTALLATION AND DISMANTLING

Full-time employees of the exhibiting company may set up their own exhibits without assistance from AGS Expo labor. Any labor services that may be required beyond what your regular full-time employees can provide must be rendered by AGS Expo Services. Labor can be ordered in advance by returning the Booth Labor form or on show site at the AGS Service Center.

#### MATERIAL HANDLING

Exhibitors may hand-carry their own materials into the exhibit facility. The use or rental of dollies, flat trucks, and other mechanical equipment, however, is not permitted. AGS Expo Services will control access to the loading docks in order to provide for a safe and orderly move-in/out. Only full-time employees of the exhibiting company will be allowed to hand-carry items. Unloading or reloading at the dock of any and all contracted carriers must be handled by AGS Expo Services.

#### TIPPING

AGS Expo Services requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all employees. Any request for such should be brought to the attention of an AGS representative at the service desk or correspondence may be directed to the attention of the General Manager at the office address.

#### SAFETY

Standing on chairs, tables, or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. AGS Expo Services cannot be responsible for injuries or falls caused by the improper use of this furniture.

### Official Service Contractor

Show management, acting on behalf of all exhibitors and in the best interest of the exposition, has appointed AGS Expo Services as the official service contractor to perform and provide necessary services and equipment.

**Official service contractors are appointed to:**

- a. Ensure the orderly and efficient installation and removal of the overall exposition.
- b. Assure the distribution of labor to all exhibitors according to need.
- c. Provide sufficient labor to satisfy the requirements of exhibitors and for the exposition itself.
- d. See that the proper type and limits of insurance are enforced.
- e. Avoid any conflict with local Union and/or exhibit hall regulations and requirements.

**Exceptions are:**

- f. Supervision may be provided by the exhibitor.
- g. The exhibitor may appoint an exhibit installation contractor or display builder.

### Exhibitor Appointed Contractors (EACs)

Exhibitors may employ the service of independent contractors to install and dismantle their exhibit, providing the exhibitor and the installation and dismantle contractor comply with the following requirements:

1. The exhibitor must notify, in writing, show management and AGS Expo Services of the intention to utilize an independent contractor no later than 30 days prior to the first move-in day by completing the Notification of Intent to Use Non-official Service Contractors Form contained in this Service Manual.
2. The exhibitor shall provide evidence that the Exhibitor Appointed Contractor (EAC) has a proper certificate of insurance with a minimum of \$1,000,000 liability coverage including property damage and Worker's Compensation naming AGS Expo Services as additional insured to show management and AGS Expo Services no later than the deadline date listed for EACs.
3. The exhibitor agrees that they are ultimately responsible for all services in connection with their exhibit including freight, drayage, rentals, and labor.
4. The EAC must have all business licenses, permits, and Worker's Compensation Insurance required by the state and city governments and the convention facility management prior to commencing work and shall provide show management with evidence of compliance.
5. The EAC will share with AGS Expo Services all reasonable costs related to its operation including overtime to pay for stewards' restoration of exhibit space to its initial condition, etc.
6. The EAC will provide AGS with the names of all on-site employees who will be working on the exposition floor and see that they have and wear at all times necessary identification badges as determined by show management or the facility.
7. The EAC must be able to provide evidence that it has a valid authorization from the exhibitor for services. The EAC may not solicit business on the exhibit floor.
8. The EAC must confine its operations to the exhibit area of its clients. No service desks, storage areas, or other work facilities will be located anywhere in the building. The show aisles and public spaces are not a part of the exhibitor's booth space.
9. The EAC shall provide, if requested, evidence to AGS Expo Services that it possesses applicable and current labor contracts and must comply with all labor agreements and practices.
10. The EAC must not commit, or allow to be committed by persons in its employment, any acts that could lead to work stoppages, strikes or labor problems.
11. The exposition floor, aisles, loading docks, service, and storage areas will be under the control of the official service contractor, AGS Expo Services. The EAC must coordinate all of its activities with AGS Expo Services.
12. For services such as electrical, plumbing, telephone, cleaning, and drayage, no contractor other than the official service contractor will be approved. This regulation is necessary because of licensing, insurance, and work done using equipment and facilities owned by parties other than the exhibitor. Exhibitors shall provide only the material and equipment they own and to be used in their exhibit space.

## Payment Terms and Conditions

AGS Expo Services has established the following terms and conditions of sale and rental for all services rendered by AGS to all clients, exhibitors, and third parties:

- By providing a signed copy of a Method of Payment Form and selecting "Keep this Method of Payment on file for future events," you are establishing a company account with AGS Exposition Services, Inc. for one (1) calendar year for all active and future account transactions, regardless of event or project. It is the ultimate responsibility of the exhibitor to maintain an active credit card on file for services. Third party credit cards will be exempt from this policy, when identified as such, on the Method of Payment Form. Therefore, third parties will have a single event/project account established during the period of service.
- All materials and equipment are on a rental basis and remain the property of AGS Exposition Services, Inc. except where specifically identified as a sale.
- Payment of balances may be remitted in any form which complies with AGS Expo Services' Methods of Payment. Please note that any orders submitted without a method of payment, or any outstanding balances incurred, will be applied to the primary credit card on file. AGS Expo Services will accept payment by cash, company check, Visa, MasterCard, or American Express. All payments must be made in U.S. Funds.
- AGS may accept Wire or ACH funds transfers to cover open or advance deposit for service. Regardless, a credit card is required on file. All transfers must be noticed to AGS via a trackable letter carrier service (attention to the event, company name, booth number and associated services) and the funds transferred at least ten business days prior to the first day of move-in for the associated event. If transfers are not noticed, and processed without details, AGS cannot guarantee the appropriate payment or credit to account. Fees apply to all transfers both by the processing institution as well as by AGS policy noted on the Method of Payment form. AGS may withhold services where payments are short/deficient due to fees.
- If an exhibitor or third party requests a balance transfer from one Method of Payment to another Method of Payment, a Transfer Charge of 7% will be assessed on the total transferred balance. Transfers will only be made within a single established account.
- A zero balance for ordered services does not preclude the requirement of a credit card on file for service.
- AGS Expo Services reserves the right to check the credit available on any card presented. If the exhibitor fails to review/pay an open invoice/statement prior to the close of the show, the charges will automatically be applied to the credit card on file.
- To receive a discount, payment must accompany your advance order and be received prior to the deadline date on your order form.
- All orders must be accompanied by a Method of Payment Form. Orders without a Method of Payment Form will be applied to the primary method of payment on file. No balance transfers will be allowed after an order has been processed.
- AGS Expo Services requires payment for all services upon presentation of an invoice/statement at the exhibit site and exhibitors will be required to settle their accounts in full prior to the close of the exhibition/event.
- AGS Expo Services may from time to time audit and adjust accounts after the close of show. No statement or invoice is considered final, whether presented in advance, during, or after an event/project. Please know that some services are actually considered estimates and therefore not calculated for actual payment until after the service is rendered. 13. Exhibitor/Third Party shall be responsible for any excise, property, sales, or other taxes which may be levied or imposed upon the exhibitor/third party as it relates to different state and federal tax laws. In the event a tax code or levied rate should change after the publishing date of a form and/or prior to fulfillment, your invoice may be adjusted as required by law.
14. Tax Exemption Status - If your company is exempt from payment of sales tax, AGS requires you to forward an Exemption Certificate for the state in which the services are to be used. Resale Certificates are not valid unless you are re-billing these charges to your customers.
15. Should a chargeback or dispute occur on payments to orders placed by an exhibitor or their agents, a fee equal to the fees assigned by the merchant processor or bank may be assessed and applied. In the event that a chargeback or dispute resolution is posted in favor of AGS Exposition Services, these fees will be due in addition to any outstanding balances.
16. Should balances remain unfulfilled, AGS Expo Services reserves the right to institute collection action against all exhibitors/third parties in the event payment is not received within 20 days of the close of the event. Where a history of delinquency or disputes exists, AGS may, at its discretion, require the payment of services in a particular method.
18. Company checks for ordered services must be received 14 days before move-in. Regardless, a credit card is required on file. A Non-Sufficient Funds fee will be assessed to any account in which a check is returned as being insufficient for payment.
19. All refunds less than \$35 must be requested by either the exhibiting company or related third party and will be refunded in the method in which it was remitted. As a result of certain remittance methods, fees and charges may apply. AGS will only issue refunds within 30 days of sending the final invoice. All adjustments to exhibitor accounts specifically noted on invoices or statements will be credited back in the method in which the service was originally transacted, within 15-30 days after the close of any event. Refunds to credit cards may take an additional period of time to post depending upon the credit card company. No adjustments will be made as a result of changes in currency rates.
20. It is the responsibility of the exhibitor to advise the AGS Expo Services on-site Service Center Representative of any problems with any orders, and to check their invoice for accuracy prior to the close of the event. ## Material Handling Information & Rates

The following information has been compiled by AGS for use by exhibitors and all third-party contractors to inform you of rates and rules regarding proper shipping and handling to and from your event. If you require more information regarding specific services or have issues regarding material handling at your event, please call our Event Services Department or contact us via email at [eventservices@ags-expo.com](mailto:eventservices@ags-expo.com)

### SHIPPING INFORMATION

#### Shipment Pick-ups & Deliveries

Drivers will be required to record their shipments at the Exhibit Site Check-In Area and then they will be directed to the proper freight door for loading and unloading. This includes access to any POV ramps.

#### Material Handling Order Form

Please make sure to submit your Material Handling Order Form to AGS. This will ensure the proper handling of exhibit materials.

All shipments delivered to either the exhibit site or the advanced warehouse require a delivery slip showing the number of pieces, weight, and type of merchandise. Surcharges apply to all shipments that arrive without proper piece-count and/or weight ticket information. This includes bulk consignment carriers such as FedEx and UPS Package.

Drivers will be required to submit a CERTIFIED WEIGHT TICKET when recording their shipment at the Exhibit Site Check-In Area. AGS Expo Services reserves the right to refuse such shipments until a certified weight ticket is presented.

**NOTE:** Shipments received without receipts, freight bills, or specified unit counts on receipts or freight bills (e.g. one lot, 800 cu. ft., etc.) from carriers such as FedEx or UPS Package, will be delivered to the exhibitor's booth without guarantee of piece-count or condition. No liability will be assumed by AGS Expo Services for such shipments. In the event no weight is indicated on the documents presented, AGS Expo Services shall estimate the weight and charges will be based on the estimate. These charges will not be subject to adjustment.

Please ensure that copies of all shipping information are sent to the person or company in charge of installing your display. This will assist in locating any packages that are missing or fail to arrive.

#### Insurance

Be sure your materials are insured from the time they leave your company until they are returned after the event. It is suggested that exhibitors arrange all-risk coverage. This can usually be done by adding riders to existing policies. Each event is different. As a result, certain facilities provide different levels of security for exhibitors and their materials. In most cases, security is arranged by the association or event management but is not always available during certain times of the event. Please take every precaution to secure items in your booth. During move-out, never leave packed materials in your booth unsupervised. AGS always requires exhibitor supervision of outbound packages to ensure their safe transfer.

### Basic Tips for Shipping

- Securely pack all items for shipping and remove old shipping labels.
- Fill out and apply shipping labels with appropriate address, company name, booth number, and consign all shipments c/o AGS Expo Services.
- Send your Material Handling Order Form to AGS to ensure their arrival.
- Check with AGS as to the receipt of your shipped packages.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces and weight.
- Certified weight tickets must accompany all shipments.
- Do not ship loose items to the advanced warehouse. All materials should be packaged appropriately.

## Material Handling Information & Rates

### Shipping Labels

All packages must be clearly labeled with the appropriate address, booth number, and consignment information. Please remember to remove all old labels from your shipping containers as this will ensure that there is no confusion over booth number, addresses, or other erroneous information not related to this specific event.

### Crates & Material Packaging

Ensure that your containers are properly maintained or replaced to prevent the damage of any internal items during shipping and handling. Please understand that all containers associated with shipping are considered protection and are therefore not covered if damaged during shipping and handling. These containers are designed to take external forces in order to protect their internal contents.

## Rate Classification

### Advance Shipments to Warehouse - Services & Rates

Advance shipments will be accepted at the AGS Expo Services advance warehouse and allowed up to 30 days storage if delivered by the deadline date provided in this Service Manual. These shipments should be consigned AGS Expo Services c/o ABF Freight and labeled with the appropriate event and booth number.

This service includes material unloading at the warehouse, storage up to 30 days, delivery to the exhibit site, unloading and delivery to the exhibitor's booth, storage of empty containers during the event, pick-up at the close of the show, handling to the loading area, and reloading on outbound truck(s). **The ROUND TRIP RATE of \$109.13 with a 200 lb. minimum applies for each 100 lbs. or fraction thereof per shipment.**

### Overtime Charges on Advance Shipments

An overtime surcharge for shipments unloaded at the warehouse after 4:30 pm on weekdays, anytime on Saturday/Sunday/Holidays will be applied based on the Advance Shipment Rate, for each 100 lbs. or fraction thereof per shipment. Additionally, when warehouse freight must be moved into the exhibit site on overtime due to scheduling conflicts beyond the control of AGS Expo Services, overtime charges will be applied. This charge will be invoiced in addition to those rates on all shipments subject to overtime charges. **The surcharge applicable to overtime shipments is \$32.74 with a 200 lb. minimum.**

### Off-Target Charges on Advance & Direct Shipments

Shipments unloaded after the Advance Receiving Deadline Date or prior to Direct Receiving for exhibitor move-in will be subject to a 30% off-target service charge based on the Advance or Direct Shipment Rate (which ever applies), for each 100 lbs. or fraction thereof per shipment, unless the shipment was handled by the official carrier. Charges for off-target delivery methods may also apply. Such off-target shipments cannot be guaranteed advance delivery to the show site.

### Direct Shipments to Exhibit Site - Services & Rates

Shipments for direct delivery to the exhibit site should be scheduled to arrive by the date and times set forth in the Shipping Information section of this Exhibitor Service Manual. These shipments should be consigned to AGS Expo Services c/o Hyatt Regency Coconut Point Resort and Spa and labeled with appropriate show name and booth number.

## Material Handling Information & Rates

### Overtime Surcharges at Exhibit Site

Overtime charges on inbound shipments will be in effect if:

- A vehicle checks-in at the Exhibit Site Check-In Area after 4:30 PM on weekdays or anytime on Saturday/Sunday/Holidays.

Overtime charges on outbound shipments will be in effect if:

1. Your shipment is loaded after 4:30 PM on the day the exhibit closes.
2. Your carrier checks-in at the Exhibit Site Check-In Area after 4:30 PM on weekdays or anytime on Saturday/Sunday/Holidays.
3. Additionally, when freight must be moved out of the exhibit site on overtime due to scheduling conflict beyond the control of AGS Expo Services, overtime charges will be applied. An overtime surcharge based on the exhibit site rates for each 100 lbs. or fraction thereof per shipment will be invoiced in addition to those rates on all shipments.

Overtime charges at the exhibit site subject to overtime rates:

- For each 100 lbs. or fraction thereof per shipment, the rate is **\$31.96** with a **200 lb. minimum**.

### Special Handling - Shipments or Equipment Requiring Special Handling

This classification applies to, but is not limited to, moving van shipments or shipments by any trucks which, because of their truck bed height, cannot be unloaded at the docks and/or the shipment is packed in such a manner as to require special handling (i.e. loose display parts, uncrated equipment, etc.) regardless of the kind of carrier or vehicle used and/or the description of the shipment is such that the type of materials or equipment cannot be determined (e.g. 1 lot; many assorted pieces, etc.). This also includes shipments delivered by carriers such as FedEx, UPS Package, and other parcel style carriers with bulk consignment.

Materials will be unloaded from moving vans, exhibitor's truck, or trucks of other carriers at the exhibit site; delivered to the exhibitor's booth; stored as empty containers during the event; picked-up at the close of event; moved to the loading area; and reloaded on trucks.

**The rate of \$159.79 with a 200 lb. minimum applies for each 100 lbs. or fraction thereof per shipment.**

**NOTE:** In the event crated materials are combined in a shipment with materials packed in such a manner as to require special handling (see above), AGS Expo Services will invoice such shipments at the rates applicable to the classification of the materials, PROVIDED the Bill of Lading clearly identifies the weight of the crated materials and the weight of the other materials. If the Bill of Lading does NOT identify the weights of the various classifications, the entire shipment will be invoiced at the Special Handling Rate and will not be subject to adjustment.

### Small Package Rates

Small Package Rates ONLY apply to direct deliveries to the exhibit site and should be scheduled to arrive on the dates and times set forth in the Shipping Information section of this Exhibitor Service Manual. These shipments should be consigned to AGS Expo Services c/o Hyatt Regency Coconut Point Resort and Spa and labeled with appropriate show name, company name, and booth number. Such items considered small packages are cartons, envelopes, and other non-crated items that have a maximum weight of 30 lbs. per shipment, per delivery, per day, by the same carrier. This includes FedEx and UPS Package shipments. Materials will be unloaded from the dock or trucks at the exhibit site and delivered to the exhibitor's booth.

**This INBOUND ONLY RATE applies to small packages with a total shipment weight of 30 lbs. or a fraction thereof where**

### Small Package Rates (Cont.)

the first piece is \$55.00 and each subsequent piece is \$28.00. If the total weight of the shipment exceeds 30 lbs, the shipment will be subject to standard Material Handling service fees, or that which applies, depending upon time of arrival and other policies surrounding its receipt (i.e. special handling). A 15% surcharge may be applied on all items delivered without documentation or by carriers such as FedEx, UPS Package, and other parcel style carriers with bulk consignment.

### Premium Return Services

AGS offers Premium Return Service for material handling storage at this event. This service includes all classifications of material handling storage listed in this Material Handling Information & Rates section. This service will provide priority return of stored materials at the close of the event. All materials labeled for Premium Return Service will be guaranteed first return. This service has limited availability and is based on storage capacity of the event venue. This is not an alternative to material handling. Material handling services must be established prior to ordering this service. **The fee for this premium service to return empty storage containers at the close of show is \$250.00 for a maximum of (3) containers.**

### Outgoing Shipments

To assist you in setting-up your outgoing shipments, AGS Expo Services will have a shipping desk located at the AGS Service Center where labels, Bills of Lading and shipping information will be available.

### Freight Re-Route Policy

At the close of the show, if carriers fail to pick-up or refuse to accept shipments, or no disposition is provided by the exhibitor, AGS Expo Services reserves the right to either re-route such shipments or materials via the Official Show Carrier, or dray back to the warehouse and await instructions from the exhibitor. If the shipment is drayed back to the warehouse, there will be a Service Fee minimum of \$650.00 for up to 1,499 lbs, a \$850.00 min for 1,500 - 2,999 lbs, and a \$1,050.00 min for 3,000+ lbs for transportation and/or storage. Additional fees may apply based on size and complexity of loading and storage needs. AGS is not responsible for the assignment of fees or charges made by the carrier in association with freight re-routes or dray backs. No liability will be assumed as a result of such re-routing or handling. **Post-show disposal of all empty crates, carpeting or display materials are the responsibility of the exhibitor including disposition or return to company warehouse. Any of the before mentioned items abandoned by exhibitors will be assessed a Service Fee beginning at \$500, depending on size and weight. This service fee will be charged by AGS in addition to any fees applied by the Convention Center or Official Show Carrier for crate removal.**

## Reducing Material Handling Costs

To reduce material handling costs related to labor, we recommend sending your goods all together in one shipment. For each 100 lbs. or fraction thereof per shipment, AGS sets a graduated flat rate with a 200 lb. minimum. It is important to carefully read the Material Handling section of this Exhibitor Service Manual. This section also outlines the overtime and forced freight policies.

## TIPS FOR SENDING TO:

### THE ADVANCE WAREHOUSE

- Avoid sending small packages to the advanced warehouse. Each separate shipment is charged a 200 lb. minimum at the Advanced Material Handling Rate regardless of size or weight. Observing this can cut your costs drastically.
- When using the advance warehouse, all shipments must arrive by the predetermined date and times. This information can be found on the Material Handling Order Form or in the Show Information section of this Exhibitor Service Manual.
- The advance shipment deadline date is always one week prior to the first day of exhibitor move-in.
- Avoid sending shipments after the advance warehouse deadline date. Though packages will be accepted, your account will be charged an off-target fee and a separate delivery charge may be incurred.

### THE SHOW SITE

- When sending shipments direct to show site, ensure that each package has its packing slip or shipping bill indicating the number of pieces and weight. To ensure the accuracy of material handling charges, AGS may weigh shipments as they arrive and compare the results to the Bill of Lading. A weight ticket will be attached to the receiving paperwork for any shipments that are adjusted. On-site weighing may be accepted as actual weight or shipments may be refused without a certified weight ticket. In such cases where on-site weighing is necessary, you may be assessed a fee for this service.
- Items that arrive before the scheduled move-in times or during the show will be assessed an off-target fee or may fail to be accepted.
- Many times shipments arrive piecemeal and require sorting. To avoid sorting fees related to bulk consignment carriers, try to send shipments together and avoid package carriers such as FedEx and UPS Package.

**Here are some common mistakes that can result in higher material handling charges:**

- Multiple small shipments arriving separately - There is a 200 pound minimum per shipment over 30 lbs. (On-site only)
- Missing your target date - If there is no way to avoid missing your target date, contact AGS.
- No certified weight ticket accompanying your shipments.

## Freight Re-Route Policy

AGS wants to ensure that your materials reach their intended destination. Therefore, any unconsigned shipments left in the exhibit hall after dismantling hours will be shipped via the official show carrier at the expense of the exhibitor. Please read the important information below to help avoid having your freight re-routed.

**Driver Check-in:** Saturday, July 27th by 1:30 PM

**Freight Re-Route Time:** Saturday, July 27th at 1:31 PM

### What is Freight Re-Route?

A "re-route" occurs when a carrier does not check-in or show up at the dock for the consigned freight. We want to make sure each exhibitor gets their first choice of a carrier and therefore no freight is re-routed until we must move it to complete the contracted move-out agreement between show management, the convention center, and AGS Expo Services.

### Bill of Lading

Each exhibitor is responsible for turning in an AGS Bill of Lading to the AGS Service Center after dismantling is finished and all boxes/crates/materials are packed and labeled. The Bill of Lading is the official "permission" by the exhibitor to allow the removal of freight from the booth to the carrier of choice (personal vehicle, truck, van line, air freight, etc.).

### Official Show Carrier

The official show carrier is on-site as a convenience to exhibitors, and to service show management, and is by no means the only choice available. Exhibitors are welcome to use either the official carrier or an Exhibitor Appointed Carrier. Rates may be negotiated in advance by calling the official show carrier.

### Other Carriers

If freight is consigned to a service carrier other than the official show carrier, that carrier must check-in with the loading dock by the time specified above. Show management, AGS Expo Services, and the official show carrier cannot be responsible for checking with all designated carriers. If you have chosen a carrier other than the official show carrier, **we require that someone from your company remain with the shipment until it is picked-up.** Many times, a reminder phone call to your carrier will ensure the official time window is adhered to and your freight is picked up successfully.

### Freight Re-Route Contact

In the event that your freight is re-routed by AGS, please contact our Event Services Department during regular business hours Monday through Friday from 8:00 am – 5:00 pm at 407.292.0025 to obtain tracking and destination information.

Such Goods shall be delivered to booth without the guarantee of piece count or condition.

**c. Force Majeure.** AGS shall not be liable for loss or damage that results from Acts of God, weather conditions, act or default of Customer, shipper, Carrier, or the owner of the Goods, inherent nature of the Goods, public enemy, public authority, labor disputes, and acts of terrorism or war.

**d. Cold Storage.** Goods requiring cold storage are stored at Customer's own risk. AGS assumes no liability or responsibility for Cold Storage.

**e. Empty Storage.** AGS assumes no liability for loss or damage to Goods or crates, or the contents therein, while containers are in empty storage. **f. Freight Re-Route.** AGS is not liable for Customer Goods left on the event floor after the event closing deadline, with or without a Material Handling Services/Straight Bill of Lading signed by Customer. It is Customer's responsibility to complete accurate paperwork for shipping and to ensure Customer Goods are properly labeled. If Customer Goods remain on the floor after the event closing deadline, AGS has the right to remove the Customer Goods. AGS is authorized by Customer to proceed in the manner chosen by Customer on the Order of Material Handling Services/Straight Bill of Lading, if one has been completed, or otherwise, to ship Customer Goods at the discretion of AGS and at Customer's expense. AGS shall incur no liability for such shipment. AGS retains the right to dispose of Customer Goods without liability if left on the event floor unattended, without labels or not correctly labeled. **If the shipment is drayed back to the warehouse, there will be a Service Fee minimum of \$650.00 for up to 1,499 lbs, a \$850.00 min for 1,500 - 2,999 lbs, and a \$1,050.00 min for 3,000+ lbs for transportation and/or storage. **or display materials are the responsibility of the exhibitor including disposition or return to company warehouse. Any of the before mentioned items abandoned by exhibitors will be assessed a Service Fee beginning at \$500, depending on size and weight. This service fee will be charged by AGS in addition to any fees applied by the Convention Center or Official Show Carrier for crate removal.**

**g. Concealed Damage.** AGS shall not be liable for concealed loss or damage including but not limited to; glass, electronic equipment, prototypes, original art, uncrated Goods, or improperly packaged or labeled goods.

**h. Unattended Goods.** AGS assumes no liability for loss or damage to unattended Goods received at the event site at any time from the point of receipt of inbound Goods until the loading of the outbound Goods, including the entire term of the respective event, show or exhibition. Customer is responsible for adequately insuring its own Goods for any and all risk of loss.

**i. Unattended Booth.** Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth by AGS and the arrival of the Customer's representative(s) at the booth. Similarly, relative to outgoing shipment(s), it is possible that there may be a lapse of time between the completion of packing and the actual pick-up of Goods from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in the booth unattended. In addition, booths that are attended may still be subject to risk of loss, damage, or theft at the event site. Therefore, it is understood and agreed that AGS shall not be liable for any loss or damage occurring while the Goods are in Customer's booth at any time, whether or not the booth is, or is not attended by Customer or anyone else. **j. Special Handling Needs.** AGS shall not be liable for any loss, damage, or delays incurred during the handling of Goods requiring special devices or facilities to properly load, place, or reload, unless advance notice has been given to AGS in time to obtain the proper equipment or facilities. equipment or facility limitations exist. ### **7. AGS Not a Bailee or Shipper/ AGS Retained Authority to Substitute Carriers:**

**a. AGS Not Bailee or Shipper.** The Customer agrees in connection with the receipt, handling, temporary storage and reloading of its Goods that AGS will provide these services as Customer's agent and not as a bailee or shipper. If any agent or employee of AGS signs a delivery receipt, Bill of Lading or other document, Customer agrees that AGS will do so as the Customer's Agent and the Customer accepts all liability and responsibility for loss, damage, theft, or delay thereof.

**b. Labor.** AGS assumes no liability for loss, damage, death, or bodily injury arising out of Customer's supervision of AGS provided union labor. Such liability shall be limited to the cost to Customer of the supervised labor or the depreciated value of the Goods, whichever is less. If Customer elects to use unsupervised labor, then Customer assumes all liability for the actions or claims that arise out of such work, including but not limited to loss, damage to property, Goods, death, or bodily injury and shall indemnify AGS and event management, to include reasonable defense costs, attorney's, expert, and consulting fees and court costs, for any claims that result from Customers' supervision or failure to supervise assigned

labor.

### **9. Miscellaneous:**

**a. Insurance.** AGS IS NOT AN INSURANCE COMPANY AND DOES NOT OFFER OR PROVIDE INSURANCE. It is the obligation of Customer to ensure Goods are insured at all times. **ii.** Claims for Goods alleged to be lost or damaged during transit must be received in writing by AGS within thirty (30) days after the date of delivery of Goods to or from the event site.

In the event of a dispute with AGS, Customer shall not withhold payment or any amount due AGS for Services as an offset against the amount of the alleged loss or damage. Customer agrees to pay AGS prior to the close of the event for all such charges and further agrees that any claim Customer may have against AGS shall be pursued independently by Customer as a separate action to be resolved on its own merits. AGS retains the right to pursue collection on amounts owed after event close, without regard to any amount alleged to be owed for damage, or loss.

**d. Filing of Suit.** Any action at law regarding loss or damage
