Most of us have not had much formal training on how to lead.

Why leave such an important aspect of our lives up to the school of trial and error?

The FCCFA Leadership Training Seminar will feature a Leadership Training Curriculum developed specifically to those in funeral service. Renowned expert Todd Van Beck has developed a curriculum, Leadership in Funeral Service, exclusively for the funeral profession.

This seminar will help each attendee develop their own personalized Funeral Service Leadership Philosophy that can be used on a daily basis to enhance the way they lead their organization.

The session will address important leadership topics such as:

Courage	Resilience
Character	Vision
Confidence	Humility
Influence	Commitment
Communication	Inspiration
And more
